Sub:-Display of transfer request of Executives' on Rajasthan Intranet - Request for consideration.

Sir,

In continuous of our earlier discussion on the subject cited above, we are constrained to bring to your kind notice that some SSA Heads are not forwarding the transfer request application to Circle Office.

Sir, Circle office clearly instructed SSA heads that intra circle request transfer application of executives' have to be forwarded to Circle Office after completion of stay tenure of one & half year at particular SSA/Station for registration at own cost/request registration, so that their request can be considered after completion of tenure period i.e. two years. But many SSA Heads ignore the instructions and did not forward the request transfer application in time & due to that, their requests have not been registered & considered.

We therefore request you that all the request transfer application registered may kindly be uploaded on Rajasthan Intranet. So that the request application status can be checked by concern executives', it would be quite in conformity of right to information. We hope that request of all the executives' of all wings viz.telecom, finance, civil, electrical & other discipline if any will, hence forth, be displayed and the requests be considered in due course as per list of requests.

With Regards

(O.P. JAT)
Circle Secretary
