Sub: Refusal of sanction of Leave by TDM Barmer on the name of STRIKE, depriving the executives in celebration of the Diwali festival at their natives places.

Respected Sir,

TDM Barmer is refusing the leaves applied by executives of Barmer on the name of STRIKE. All the JTOs posted at Barmer are under Transfer and administration is totally failed to relive them even after passing a huge period of 7 months. These executives are now being refused for sanction of Leave so that they can celebrate the most holly festival of Diwali at their native place. Diwali is a spiritually most important festival and in a normal course every Indian wishes to celebrate it with his family.

Your kind self is request for issue suitable instructions for granting of leaves all over Rajasthan including Barmer SSA immediately, so that every executive can celebrate this festival with his family. This will also honour the Right of religious Freedom provided by the constitution of India.

With kind regards,

Yours sincerely

(M.K.Morodia)
