Sub: Extreme delay in issuing orders for officiating promotions from SDE to DE/AGM.

Respected Sir,

The DPC process for officiating promotions from SDE to DE/AGM has been delayed extremely. Initially the DPC was delayed for months due to slackness of a DPC member to conduct the DPC in time. This association had requested to replacement of such inefficient and inactive DPC committee member vide AIBSNLEA/RAJ/2012-14/47 dt. 28-08-2012 but the case was totally ignored even after agreeing. Now it has been learnt by reliable sources that DPC is hanged out in view of so called DPE guidelines of year 2010.

This Association has many questions to be replied by the management. Why so called guidelines have been ignored till last DPC. If the DPE guidelines are available then why the DPC has not been completed. If the DPE guidelines are not available then why orders are being delayed on anticipation only. It is very clear that the DPC is delayed deliberately. The act of DPC committee is creating heart burning among the members of this association.

We once again request your kind self for immediately intervene in the issue for early completion of DPC process otherwise this Association will be compelled to go on the path of agitation.

With kind regards,

Yours sincerely

(M.K.Morodia)
