Sub: Consideration of cancellation of transfers of women executives, regarding to maintain the parity among women executives.

Respected Sir,

We would like to draw your kind attention towards Consideration of cancellation of transfers of women executives, to maintain the parity among women executives. This Association is very thankful to you for your personal initiative in cancellation of long pending transfer case of one women Executive. There are many other womens also under transfer or seeking return back to original station after joining on rotational transfer. All these women candidates are having justified reasons for cancellation of their transfer or consideration for return to the base station. We are always of the opinion that womens executives are very less in ratio in Rajasthan Circle, hence they must be exempted from rotational transfer. There will be serious heart burning if parity among womens is not maintained.

It is therefore, requested to you for kind consider the above case at an earliest in a time bound manner. I am sure that the issue will be resolved accordingly.

With kind regards,

Yours Sincerely

(M.K.Morodia)
Circle Secretary
