Sub: Pursuance for Cancellation of rotational transfer orders concerning to Executives working in Jaipur TD as a new batch of JTOs is joining soon.

Respected Sir,

During last 1-2 years Circle office had issued transfer orders for many executives on rotation basis. This made a painful situation for executives who served BSNL at their top sprit. Most of such devotee Executives either relieved for other SSAs and remaining are waiting their relieving. Many Executives who were expecting their turn in transfer list, opted different circles to break the tenure. These huge transfers has created a vacuum in Jaipur SSA, which was running so excellent. If remaining Executives are relieved from Jaipur SSA, we will need years to come back in the streamline of development.

Though every policy is important for an organisation. Policies are always made for battement of a system and any policy which is harming the interests of a system should never be applied. Being a major revenue earning and major service provider SSA, Jaipur cannot be compared with any small SSA. Company interest should always be the first w.r.t. any policy. We cannot strengthen one SSA by damaging a smooth running and big revenue earning SSA

A new batch of JTO is joining in Feb-March,2009. We have another policy that by fresh appointment or on promotion. We can fill up the vacant posts of different SSA. Hence vacant posts in different SSA can be filled up by them. Your kind self is requested to make your personal efforts in taking up the case with Circle office for cancellation of all the pending transfer cases of executives of Jaipur SSA as they are well established with the technical requirement of Jaipur SSA and new comer will take a lot of time for synchronisation with our requirement.

With kind regards,

Yours sincerely
