Sir, We all were facing very tough time when salaries was delayed and revenue collection was dip month by month. At that time these account & finance executives were also working day & night in borrowing circle to increase revenue by collection of dues from defaulter, billing, taxation & audit related works etc., which results are showing in last few months revenue collection.

So, repatriation of these executives, just because of administrative reason by neglecting individual hardship, is not in welfare of employees and causing resentment and dissatisfaction among all the said executives. The assigned work of these officers in Rajasthan Circle will also get hampered if they are repatriated to the parent circle.

Needless to mention that the employees also have personal responsibilities like marriage, society loans, home loans and other family social obligations. Due to the referred letter of BSNLCO, these executives are feeling distressed and depressed. Sir, it is requested to kindly take up the matter with BSNL Management to settle all such rule-9 cases by permanently transferring them to the borrowing circle.

This issue needs your kind favour to retain the executives in Rajasthan Circle.

With kind regards,

Your's Sincerely

(Abhishek Jain)

Circle Secretary
